## 2024 POLICY CONFERENCE DECEMBER 4 - 5 PROGRAM AT A GLANCE

OMSSA is pleased to welcome attendees to the 2024 Policy Conference.

The 2024 Policy Conference, held from December 4 to 5, is OMSSA's annual forum for discussion and debate focused on the present and future of human services policy in Ontario.

This event brings human services leaders and policy experts, together with provincial leaders, stakeholder organizations, and other subject matter experts. This year's conference promises to be packed with relevant content for all OMSSA Members and beyond!

## Unravelling at the Seams: Hunger Report 2024

Feed Ontario's annual Hunger Report reveals that our province has hit a devastating milestone of one million people visiting a food bank last year. Ashley Quan and Amanda King from Feed Ontario will be discussing what this says about the economic and social health of our province, how food banks are coping with this continual increase in demand, and the potential downstream impacts. They'll also dive into the narratives around those in poverty, and the responsibilities we have towards shaping them.

### Presenters:

- Ashley Quan, Senior Manager of Research & Government Relations, Feed Ontario
- Amanda King, Senior Director, Network Services, Feed Ontario
