## ***About OMSSA***

Established in 1950, the Ontario Municipal Social Services Association (OMSSA) is a non-profit organization with a mission to support leadership in integrated human services. OMSSA's members are the 47 Consolidated Municipal Service Managers (CMSMs) and District Social Services Administration Boards (DSSABs) across Ontario.

Our members act as service system managers in the planning, managing and delivering of human services in the areas of employment and income supports, early learning and child care, and housing and homelessness prevention programs.

OMSSA promotes best practices and strong solutions in social policy and human services delivery to strengthen local service system management and human services integration. Equally important, OMSSA supports its members in planning, managing and delivering effective, accountable and integrated human services that put people first.

On **September 14, 2017 OMSSA will host a [Housing Forum](#)** at the Holiday Inn International Airport Hotel, 970 Dixon Road, Toronto ON. This forum will explore the changing landscape of housing in Ontario and how service managers can stay ahead of the curve plan, manage and anticipate these changes while working creatively with stakeholders in homelessness prevention and providing affordable housing across Ontario.

There are a variety of ways to partner with OMSSA on this important forum. Please see the details below on the variety of opportunities available to show your support and commitment to affordable housing in Ontario.
